Build & handoff Website implementation, responsive QA, and a recorded handoff.	$1,680
Project fee	$4,800
Total	**$4,800**

50% deposit to reserve your project **$2,400**

Balance due before handoff $2,400

Included in this scope

- Five responsive website pages
- Two rounds of consolidated revisions
- Contact form and basic search metadata
- Recorded handoff and 14 days of bug fixes

Outside this scope

- Copywriting, photography, and brand identity
- E-commerce and custom integrations
- Hosting, domain, and ongoing maintenance
- Additional pages or revisions

Feedback & revisions

2 rounds of consolidated revisions included. Additional rounds and requests outside this scope require a separate estimate and written approval before work begins.

Working together

ILLUSTRATIVE SAMPLE — fictitious client and project, not an actual customer.

A 50% deposit reserves your project. The remaining balance is due before launch. A revision round is one consolidated list of feedback. New requests are estimated and approved before work begins.

This document is a project proposal, not a signed contract or tax invoice. Confirm scope, payment terms, ownership, and acceptance in your agreement before starting work.
